NEW ENGINEERS AT THE STATION

FOR IMMEDIATE RELEASE

CRANBURY: The highly visible restaurant and bar known as “The Station Bar & Grill,” located directly on Route 130 in South Brunswick, New Jersey, existing amidst two million square feet of modern industrial/office space has been sold according to ***Richard R. Santore of, Bielat Santore & Company, Allenhurst, New Jersey,*** the broker for the sale.

The “Station Bar & Grill,” formerly named the “Cranbury Station,” is an established business which has had a local following since it opened its doors over 25 year ago. The menu is simple, offering casual American fare and a variety of daily specials. The bar is the establishment’s focal point with large flat screen TVs and seating for 45 at the bar and an additional 25 at tables around the bar. In addition there are two dining areas that have seating for 150 and 60 respectively. Two French doors separate the dining rooms allowing the 60-seat room to accommodate private affairs

Although the Station has a strong lunch time business, the new owners will strive to expand both the family dinner and late-night businesses. A children’s special menu will be added incorporating kid friendly essentials (crayons, activity placemats, etc.), all associated with the items on the menu which is intended to allow parents to enjoy their dining experience and provide a fun-filled family environment. “Name Your Own” pizza will be a new addition to the menu. Patrons will be able to create their own pies and to give them a special name which will be registered in the computer under their customer code for their next visit.

As the dinner crowd dwindles down, entertainment will be added including bands, comedy acts, trivia nights, poker and other theme-based events to generate a much-needed late-night business. Minor renovations are planned over the next six months however the “Station Bar & Grill” will be open seven days a week for lunch, dinner and late night entertainment.

Make sure you purchase your ticket and mosey on down to the “Station Bar & Grill” 2625 Highway 130, Cranbury (South Brunswick), New Jersey; where the train may stop, but the action never does!
